April 3, 1985.

SUBJECT: **TENDERS FOR MASONRY WORK PACKAGE B-7,
NEW CIVIC CENTRE**

COMMENTS: Tenders closed originally for this work on February 26, 1985. As prices were well beyond the budgeted amount for this phase of the work, the Project Director and Architect revised the specifications to effect a number of economies. The rebid closed on March 19, 1985 with results as follows.

<u>Company</u>	<u>Base Bid</u>
1) Merison Masonry Ltd. (Weston)	\$6,656,656.00
2) George & Asmussen Ltd. (Kitchener)	6,845,735.00
3) Omega Consortium Masonry Inc. (Mississauga)	6,886,886.00
4) Clifford Masonry Ltd. (Scarborough)	6,896,000.00

Budget allowance for this work is \$5,118,000.

In order to come within an acceptable price range, the Project Director and Architect reduced the various bid prices by accepting a number of specified alternates from the tender.

This resulted in a substantial saving from each of the bids, but the prices was still unacceptably high. The Architect then approved certain other reductions (see attached list) which resulted in the following revised prices.

	6,254,260.
Less: Architect approved Contractor savings	<u>54,166.</u>
	6,200,094.

As you can see, the low bidder in each case is
Merison Masonry Ltd.

The Project Committee reviewed the entire
matter with the Architect and Project
Director and all are in agreement that a
budget overrun of \$567,000 is appropriate
under the circumstances, and that the contract
should be awarded to Merison Masonry Ltd.

It is impossible to say at this stage whether or not all of this overrun can be made up in the balance of the contracts, but it is our earnest hope that it can.

RECOMMENDATION: That the contract for masonry work for the new Civic Centre as per plans and specifications of tender package B-7 be awarded to Merison Masonry Ltd. in the amount of \$5,685,656. in accordance with the tender of March 19, 1985.

SUBJECT:

TENDERS FOR THE SUPPLY AND INSTALLATION OF
ALL GLAZED ROOFING WORK (TENDER PACKAGE B-
35) NEW CIVIC CENTRE

COMMENTS:

Tenders were received on March 19, 1985, for the supply and installation of all Glazed Roofing (skylights) for the New Civic Centre. The results were as follows:

	<u>Base Bid</u>
1) I.B.G. Canada Ltd. (Beamsville)	\$358,620.
2) Lord & Burnham Co. Ltd. (St. Catharines)	375,000.
3) P.P.G. Canada Ltd. (Toronto)	454,000.

Budget allowance for the work: \$320,000.

The Project Director and the Architect have studied the submissions and conclude that the low bid of I.B.G. Canada Ltd. complies with the plans and specifications for Tender Package B-35, and they recommend awarding the contract to them. The Project Committee concurs.

RECOMMENDATION:

That the contract for the supply and installation of all Glazed Roofing for the New Civic Centre (Tender Package B-35) be awarded to I.B.G. Canada Ltd. in the base amount of \$358,620. in accordance with their tender received on March 19, 1985.

SUBJECT: **TENDERS FOR THE SUPPLY AND INSTALLATION OF
ALL GLAZED METAL ENTRANCES AND WINDOWS,
TENDER PACKAGE B-11, NEW CIVIC CENTRE**

COMMENTS: Tenders were received on March 19, 1985,
for the above mentioned work with prices
as follows:

<u>Company</u>	<u>Base Bid</u>
1) Canadian Glass (A Division of Ford Glass Limited) (Toronto)	\$1,117,216.
2) Lord & Burnham Co. Ltd. (St. Catharines)	1,180,900.
3) P.P.G. Canda Inc. (Toronto)	1,390,000.
4) Zimmcor Company (Lachine, P.Q.)	1,561,000.

Budget allowance for this work: \$1,300,000.

It has been determined by the Project Director
and Architect that the bid submitted by
Canadian Glass complies with the plans and
specifications for tender package B-11 and
they therefore recommend awarding the contract
for this work to them. The Project Committee
concurs.

RECOMMENDATION: That the contract for the supply and installation
of all Glazed Metal Entrances and Windows
for the New Civic Centre (Tender Package B-11)
be awarded to Canadian Glass (A Division of
